Brain Training

Only the best new and classic puzzles!

Our Philosophy

Easy to learn, tough to master, fun to play!

We entertain and challenge players with a mix of exciting new games and proven, well-loved favourites. Unlike our competitors, our puzzles are fun and have staying power; each is playable many times without becoming tedious or repetitive. With a simple, elegant and content rich interface, we have the ideal product for the brain training market.

Key Benefits

- The Best Puzzles
- Challenging but Accessible
- Unlimited Puzzles
- High Replay Value
- Simple, Elegant Interface
- Balanced Puzzles

Tile Game
Match the edges of the tiles together.

Word Search
Find the hidden words in the grid.

Code Words
The letters in a crossword grid have been replaced with numbers. You must crack the code!

Jigsaw Puzzles
Piece together jigsaw puzzles of some of the greatest landmarks and landscapes in the world.

Memory Cards
In this classic game, you turn over pairs of cards. The goal is to match all the pairs, of objects shown.

Polyominoes
Based on the classic "Pentominoes" Place the different shaped tiles on the grid to fill the square.

Anagrams
Solve the 6-letter anagrams to get a shot at the 9-letter bonus word.

Magic Squares
Put the numbers in the grid so every row, column and diagonal has the same sum
